PSL Inc's Mission

Providence Sports and Leadership (PSL), a youth athletic and leadership development organization, inspires and supports promising youth to be leaders and champions in their community and in life, by providing them life skills for continued success.

Our Path to Success

- **Identify** promising student athletes from Providence.
- **Engage** youth in elite programs throughout New England. 13-15 year olds compete in local RBI League.
- **Invest** in each youth and family intensively, over time, to prepare them for a high quality experience in athletics and leadership skill development
- **Support** youth through adolescence and the successful transition to adulthood.

Our Programs

- **Summer Program:** 16u & 18u travel teams play against elite programs throughout New England. 13-15 year olds compete in local RBI League.
- **Fall Program:** 12-18 year olds compete in RI leagues.
- **Winter/Spring Program:** 13u & 14u travel teams play throughout New England. Indoor strength/skill training and leadership development
- **College Bound:** Collegiate recruitment assistance and NCAA Clearinghouse guidance.

90% will be the first in their family to graduate from college.
